

2020 TCRC Showcase - Large School Girls - at Island Pine Golf Course, Atwater - Friday, October 30, 2020

Due to Covid 19, the MSHSL chose to not sponsor any Fall State Championships and the High School Cross Country season ended on October 24th. TC Running Company sponsored a statewide invitational modeled after the Nike Heartland Meet and invited club teams and individuals from around the state to compete in a meet. Their meet followed the Minnesota State Health Department guidelines for athletic events during the Covid19 pandemic. Although this was not a MSHSL Championship Meet, it did provide a finale for the high school state harriers. In the Large School Girls race eleven of the twelve teams rated in the Final Coaches AA poll competed and nine of the top twelve rated individuals participated -two of those three who did not race were injured and unable to race for their teams that had qualified (Nechanicky of Wayzata & Mor of Minnetonka).

The Girls Large School Race was run in six waves.
