

2020 TCRC Showcase - Small School Girls - at Island Pine Golf Course, Atwater - Saturday, October 31, 2020

Due to Covid 19, the MSHSL chose to not sponsor any Fall State Championships and the High School Cross Country season ended on October 24th. TC Running Company sponsored a statewide invitational modeled after the Nike Heartland Meet and invited club teams and individuals from around the state to compete in a meet. Their meet followed the Minnesota State Health Department guidelines for athletic events during the Covid19 pandemic. Although this was not a MSHSL Championship Meet, it did provide a finale for the high school state carriers. In the Small School Girls race, six of the top ten teams rated in the Final A Coaches poll competed and six of the top ten rated individuals participated.

The Girl Small School Race was run in four waves.
