Notes: All high schools in Minnesota were invited to send teams to compete in the State Meet sponsored by the University of Minnesota Cross Country Club and its coach, Emil Iverson.

I have no idea how they arrived at those scores, but that was what reported in the *Minneapolis Tribune* the morning after the meet and the places align with those reported in the Minneapolis schools' yearbooks.

Ernest Seiler of Barnum, second in 1927) was leading at the mid-point and took a wrong turn. He finished out of the top twenty, but came back to win the 880 in the spring.
