\* Ties Meet Record

\*\* New Meet Record

**Notes:** Greenway of Coleraine was coached by Melvin G. Anderson.

According to the *Hibbing Daily Tribune* the large number of ties in the PV & HJ were planned by the boys so that they could all go to State. Ties for first and second advanced to the State Meet. This ploy probably kept North Branch, who had individuals place in both the PV & HJ at State, from winning the regional meet.
